# Scholarship and Research Integrity (SARI) Program at Penn State

## Author(s)

Anonymous

## Description

As part of the Council of Graduate School's Project for Scholarly Integrity and internal university initiatives, Penn State University is implementing required graduate student education in the responsible conduct of research (RCR) through a program called Scholarship and Research Integrity (SARI). This program is required of all graduate students beginning with students entering the university in Fall 2009.
