Teaching Ethics in the Context of ABET Requirements

Author(s)

Rebecca Bates
Steve Starrett

Year

2020

Description

As part of the "Bringing Ethics into the Conversation" series, Dr. Rosalyn Berne, Director of the OEC, hosted students, academics, and professionals in conversations about teaching ethics. This webinar featured Dr. Rebecca Bates, Professor and Chair, Minnesota State University, Mankato, Department of Integrated Engineering. Dr. Bates spoke about teaching ethics and ABET requirements. She was joined by Dr. Steven Starrett, Dean of the School of Engineering, LeTourneau University.
