Giving Voice to Values: The "How" of Teaching Professional Ethics

Author(s)

Mary Gentile
Richard Miller

Year

2021

Description

Part of the "Bringing Ethics into the Conversation" series, this webinar featured Dr Mary Gentile, Creator/Director of Giving Voice to Values, a pioneering business curriculum for values-driven leadership. Dr Gentile, joined by Dr Richard Miller, discusses her method in relation to engineering. The webinar was hosted by Dr Rosalyn Berne, Director of the Online Ethics Center and Associate Professor of Science, Technology, and Society in UVA's Department of Engineering and Society.
