Description

Panelists Perrin Falkner, Haley Hiller, Sarah Nerette, and Claire Trevisan lead sustainability initiatives in diverse industries, including transportation, building design, and energy. They each share their experiences incorporating ethics in pursuit of sustainability on behalf of corporations. Then they discuss these issues together, led in conversation by Dr. Elise Barrella, an expert on coordinating multi-disciplinary projects related to infrastructure systems, spatial justice, and sustainability and the founder of Design for X Consulting LLC.
